

CONSENT FOR TWO-WAY VIDEO CONFERENCING BETWEEN TEACHER / EDUCATION ASSISTANT AND STUDENT

Your child's learning at home would greatly benefit from some opportunities for two-way video conferencing with their teacher or Education Assistant (EA). Two-way video conferencing may also include small group or whole class participation.

With your consent, the times and manner of the video conferences will be set by the teacher in consultation with you, and these sessions will be communicated through the method the teacher has decided upon. Our top priority is to ensure that the best supports are in place while protecting the privacy of families, students.

Thank you for your continued support as we navigate this new reality in education. If you have any questions or concerns, please do not hesitate to contact your child's teacher.
